## Atop CHM to PDF Converter

### License and copyright information

#### Atop CHM to PDF Converter License

free version

Atop system

Atop CHM to PDF Converter is distributed as a try-before-you-buy software.

By using, copying, transmitting, distributing or installing Atop CHM to PDF Converter, you agree to all of the terms of this License. If you do not agree to any of the terms of this License, then please do not use, copy, transmit, distribute, or install Atop CHM to PDF Converter.

There are a free version of the software. Subject to the terms below, you are hereby licensed by Atop system. ("Atop system") to use this software for evaluation purposes without charge, however with free version, you can convert 16 pages only, and will add some Atop system information in the output PDF file, if you want to use this software with no limitation, please see the Atop CHM to PDF Converter web site at <http://www.chmconverter.com> for more information about online ordering.

You can use free version of Atop CHM to PDF Converter free, however, you may, without making any payment to Atop system:

- a) give exact copies of this free version of Atop CHM to PDF Converter personally to anyone;
- b) distribute exact copies of this free version of Atop CHM to PDF Converter, if done exclusively through electronic channels; and
- c) make as many exact copies of this free version of Atop CHM to PDF Converter as you wish, for purposes of distribution as described in (a) and (b) above.

You are specifically prohibited from charging, or requesting donations, for any copies, however made, and from distributing such copies with other products of any kind, commercial or otherwise, without prior written permission from Atop system. Atop system reserves the right to revoke the above distribution rights at any time, for any or no reason.

This software, and all accompanying files, data and materials, are distributed "AS IS" and with no warranties of any kind, whether express or implied. In particular, there is no warranty for the optional virus scanning feature. (Atop CHM to PDF Converter does not scan for viruses, it simply runs external programs that claim to perform this function.) Good data processing procedure dictates that any program be thoroughly tested with non-critical data before relying on it. The user must assume the entire risk of using the program. This disclaimer of warranty constitutes an essential part of the agreement. In no event shall Atop system, or its principals, shareholders, officers, employees, affiliates, contractors, subsidiaries, or parent organizations, be liable for any incidental, consequential, or punitive damages whatsoever relating to the use of Atop CHM to PDF Converter, or your relationship with WCI.

In addition, in no event does Atop system authorize you to use Atop CHM to PDF Converter in applications or systems where Atop CHM to PDF Converter's failure to perform can reasonably be expected to result in a significant physical injury, or in loss of life. Any such use by you is entirely at your own risk, and you agree to hold SMS harmless from any claims or losses relating to such unauthorized use.

This Agreement is the complete statement of the Agreement between the parties on the subject matter, and merges and supersedes all other or prior understandings, purchase orders, agreements and arrangements. This Agreement shall be governed by the laws of the State of Connecticut. Exclusive jurisdiction and venue for all matters relating to this Agreement shall be in courts and fora located in the State of Connecticut, and you consent to such jurisdiction and venue.

All rights of any kind in Atop CHM to PDF Converter which are not expressly granted in this License are entirely and exclusively reserved to and by Atop system. You may not rent, lease, modify, translate, reverse engineer, decompile, disassemble or create derivative works based on Atop CHM to PDF

## Atop CHM to PDF Converter

### PDF header and footer

This is the window of **Advanced PDF header setting**.

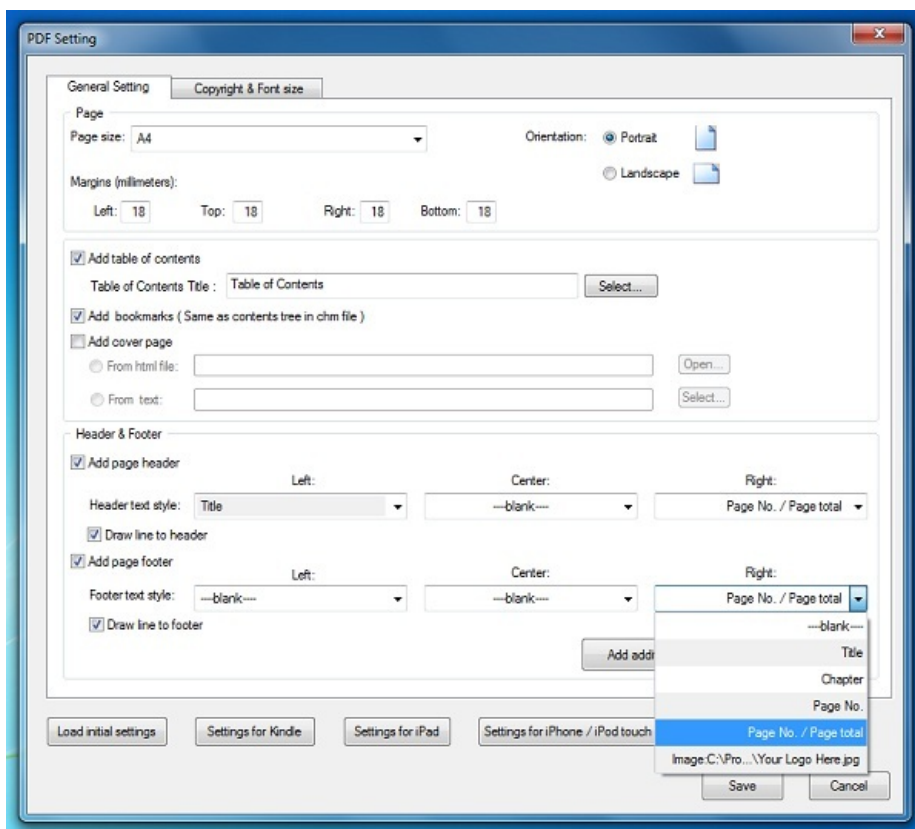

1. By choosing the **Add page header** feature, you can customize the PDF header, here:

- **Title of CHM** means the title text in the main window (see picture below). When **Title of CHM** appears on the left, it means the title text will be showed on the left corner of PDF header.

- **Chapter Name** means current chapter name, e.g, if chapter two is about "technical support", then **Chapter Name** will show the text "technical support"; When **Chapter Name** appears on the right, it means the title text will be showed on the right corner of PDF header.
- **Page numbe** is number of the page;
- **Page No./Total pages** means current page number and total page number, e.g, current page is 3, the pdf file has totally 16 pages, then **Page No./Total pages** will show "3/16";
- When **Title of CHM,Chapter Name, Page No. or Page No./Total pages** appears on the center, it means the related text will be showed on the center of PDF header. Same with left and right position;

This is the window of **Advacned PDF footer setting**:

The feature is similar as the above introduced header setting, you can also draw a line to footer.

You can also customize PDF header and footer, see [how to customize PDF header and footer](#).

**Note:** For more information about upgrading to take full advantage of all the features describe, please visit [www.chmconverter.com](http://www.chmconverter.com).

**Atop CHM to PDF Converter****How to change page size, orientation or margin**

This is the window of **Advanced PDF page setting**, it has three parts:

**1. Page size setting**

Set the page size of PDF file, you can choose the common used page size from the drop-down menu.

**2. Page orientation**

Set the page orientation to be portrait or landscape;

**3. Page margins**

Set page top margin, bottom margin, left and right margin.

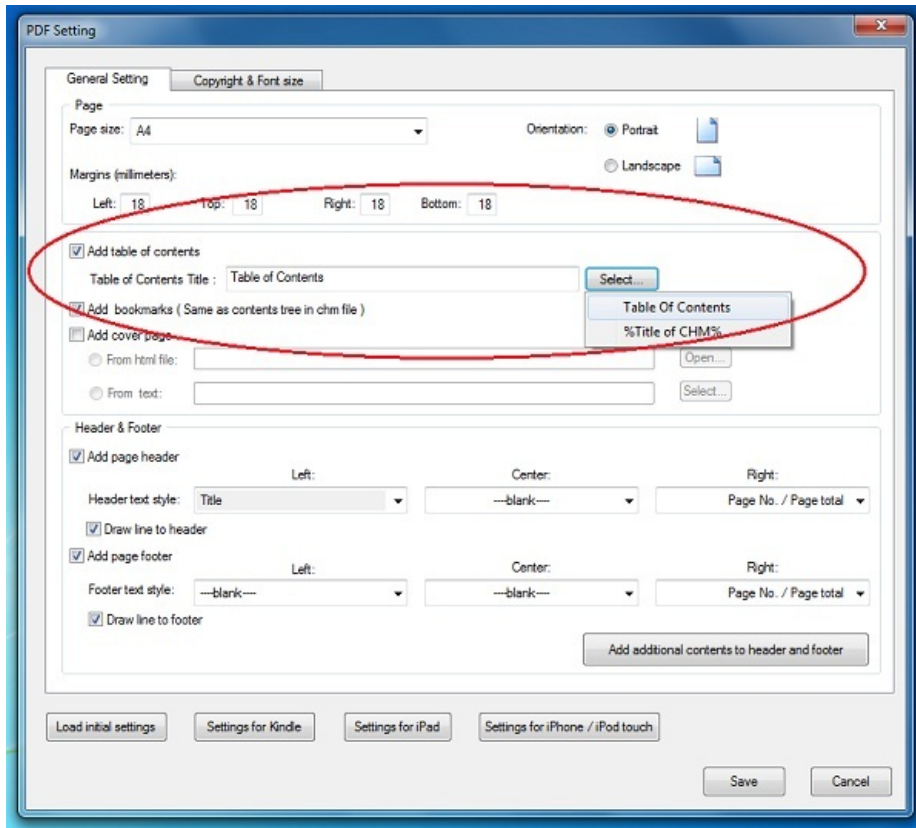

---

**Note:** For more information about upgrading to take full advantage of all the features describe, please visit [www.chmconverter.com](http://www.chmconverter.com).

---

© 2011 Atop system. All Rights Reserved.

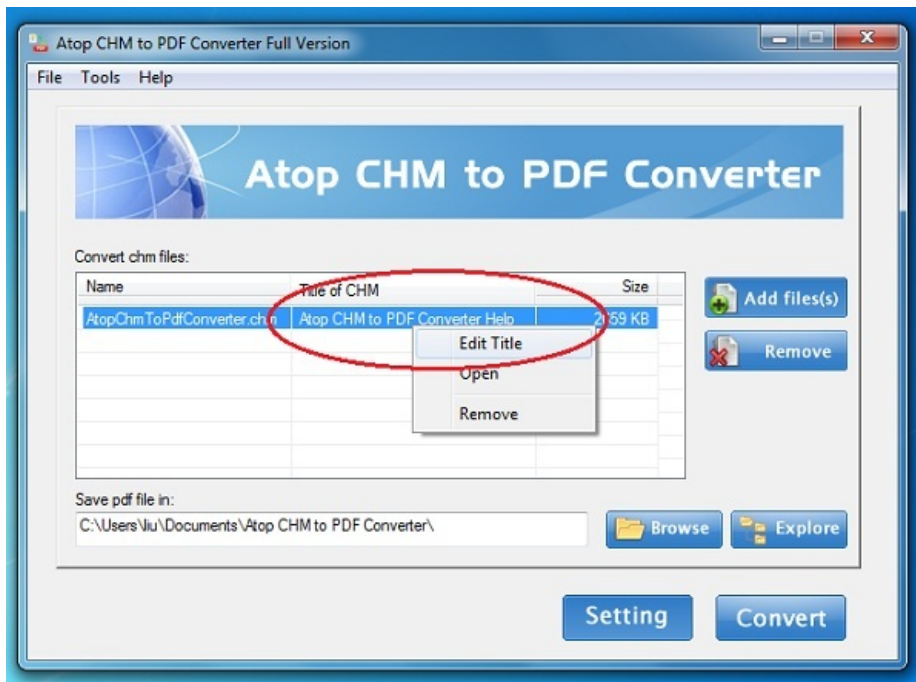

**Atop CHM to PDF Converter****How to add table of contents to PDF file**

This is the window of **Adding table of contents to PDF file**. You can add table of contents to your pdf file by:

Selecting **add table of contents**, fill in title of the table of contents, or choose the title to be **Table of contents**.

Or change it to %Title of CHM%. %Title of CHM% means the title of CHM file you set in first page. See picture below.

If you choose %Title of CHM% to be the title of table of contents, the title words will be showed in the pdf table contents.

---

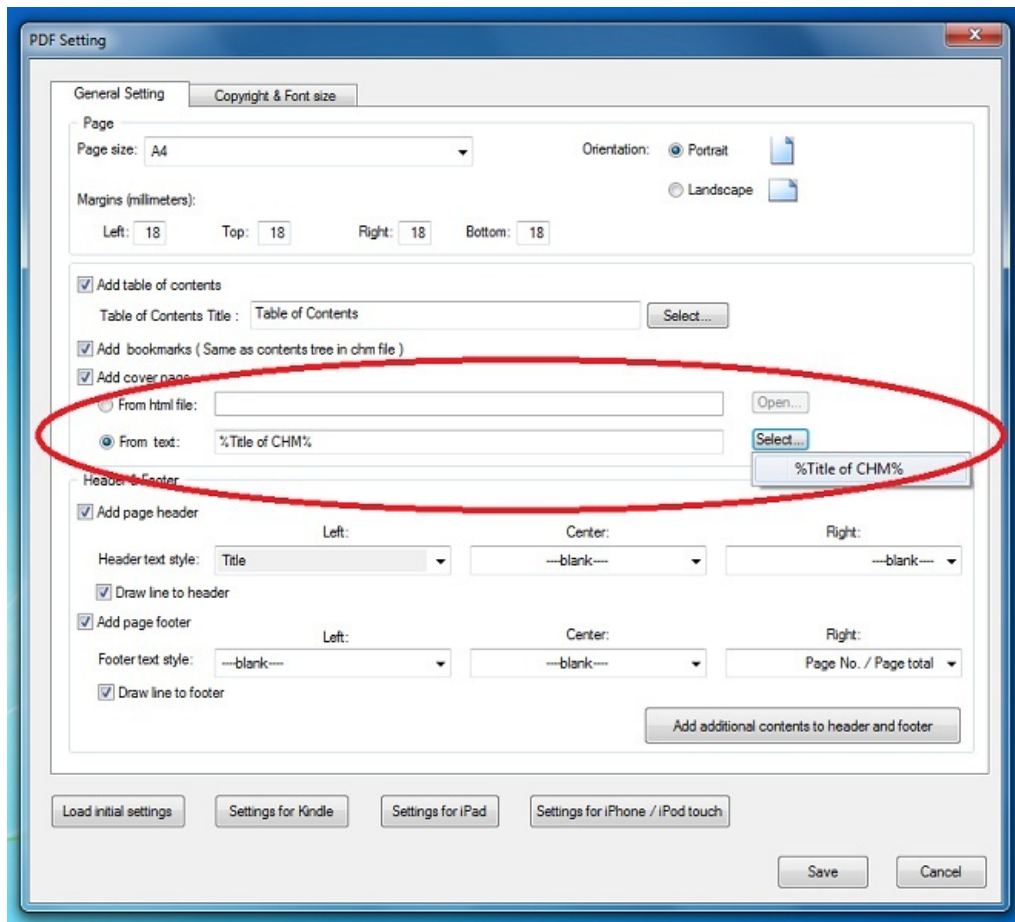

**Note:** For more information about upgrading to take full advantage of all the features describe, please visit [www.chmconverter.com](http://www.chmconverter.com).

## Atop CHM to PDF Converter

### How to add cover to PDF file

This is the window of **adding cover to PDF file**, you can apply cover from html file or text:

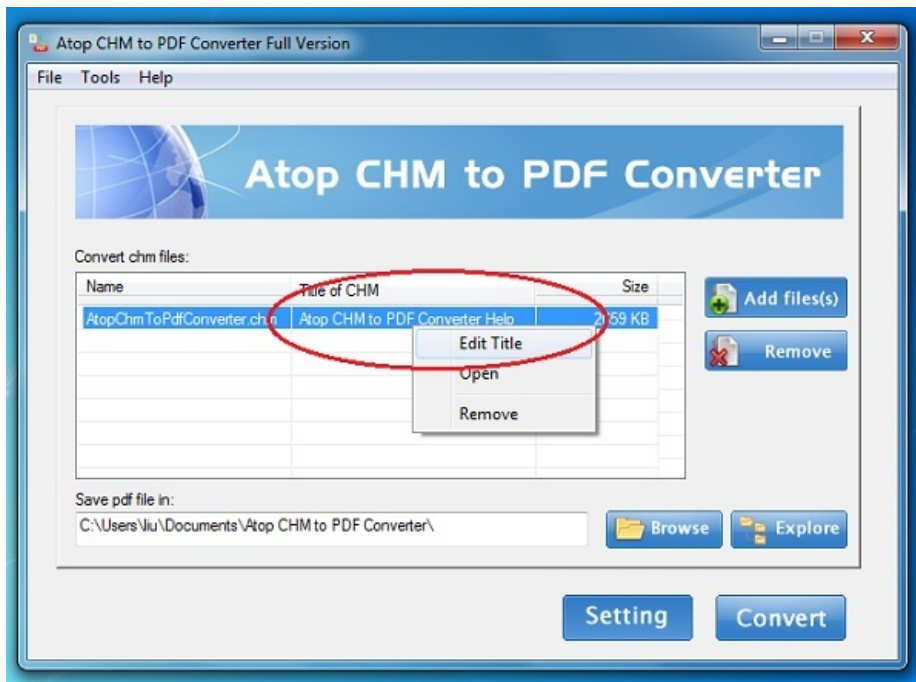

#### 1. Add cover page from html file;

You can apply a html file as the cover of PDF file, just choose **add cover from html file**, and click **open** button, select a html file, that is it, the html file will be added as the cover of PDF file.

#### 2. Add cover for text words;

You can apply text word as the cover of PDF file, just choose **add cover from text**, and click **Select** button, select the %title of CHM%, that is it, the title of CHM file will be added as the cover of PDF file.

**Please note:** %title of CHM% is the text word you set in the first page, see below. You can change the title in right-clicking menu.

**Note:** For more information about upgrading to take full advantage of all the features describe, please visit [www.chmconverter.com](http://www.chmconverter.com).

© 2011 Atop system. All Rights Reserved.

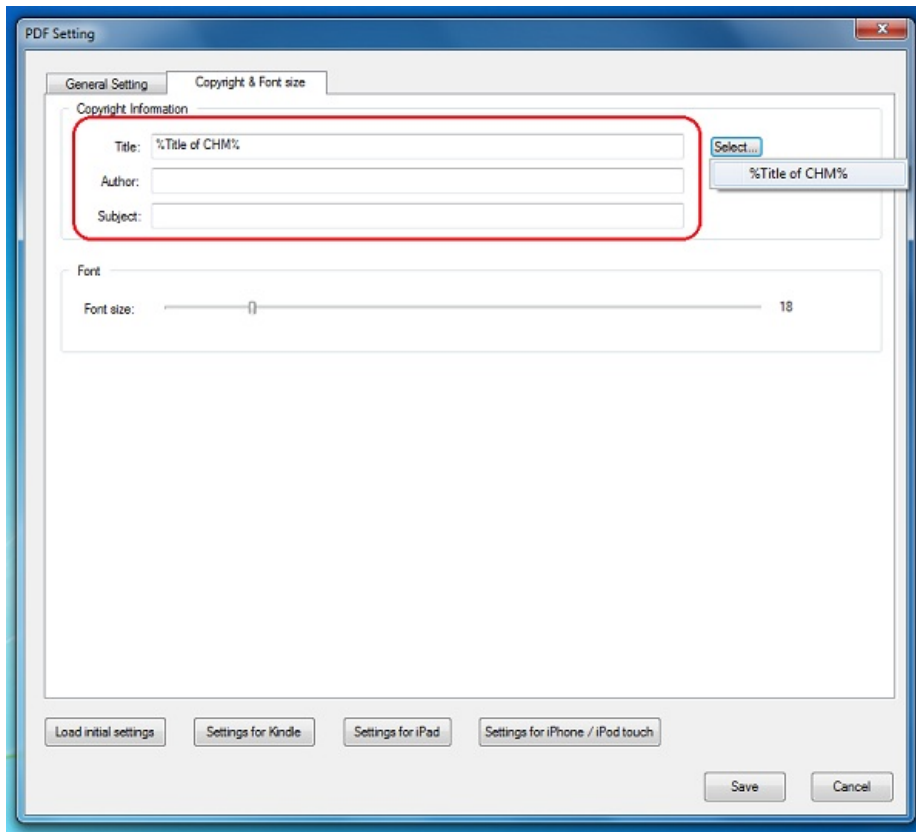

## Atop CHM to PDF Converter

### How to add your pdf copyright information?

To avoid unauthorised use of your pdf file, you may add your copyright information to pdf file, such as title and author etc. which can be reviewed as pdf author or copyright information afterward.

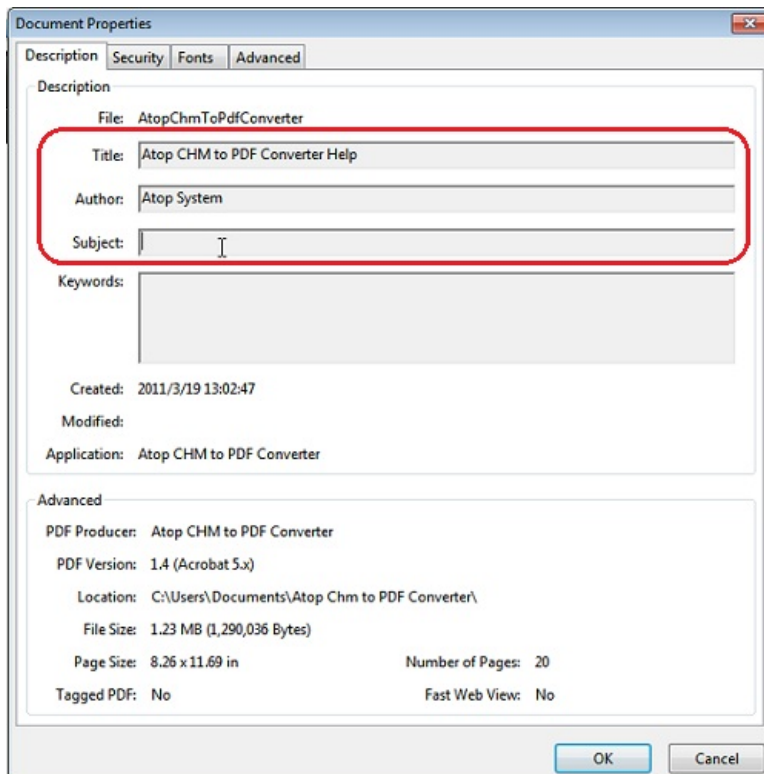

**See below in details:**

1. Click **PDF Setting** button on main windows.

2. When you use %Title of CHM% as Title, the output pdf file will use original chm title as its title, this is very usefully for batch PDF converting especially.

The output PDF copyright and properties information can be reviewed in PDF reader(Adobe Reader) as below:

## Atop CHM to PDF Converter

### General Questions (FAQ)

- How to report bugs?  
Please email any bugs or suggestions at [support@chmconverter.com](mailto:support@chmconverter.com) page.
- What happens after I send in the order?  
Normally, you will receive your registration information from Regsoft.com or Paypal in a few minutes after sending the online order form.  
If you do not receive your registration information within 12 hours, or you have lost the registration email, please [support@chmconverter.com](mailto:support@chmconverter.com). We will be glad to help you.
- I have not received my registration information. Why?  
Do not panic! In many cases, there may be a processing delay. Sometimes, people have supplied the wrong email address. In rare cases, the registered users are unreachable due to mis-configured email clients or privacy control. Please feel free to [support@chmconverter.com](mailto:support@chmconverter.com). We'll resend you register information soon.
- If I purchase your software, can I upgrade it for free in the future?  
Yes, we provide free upgrade. Please keep you eyes on our site to get upgrade info. Please download the update version by yourself, and you can register it using the same license code.
- I entered the license code you sent to me, but the software said "Registration info is invalid.". Why?  
You'd better copy and paste the license code to avoid a type. And please note don't add any blank before or after the code.
- I lost my license code, can you send again?  
Sure. You may contact us at [support@chmconverter.com](mailto:support@chmconverter.com) to get your registration info back . Please make sure to include your Oder ID or some info in your order(such as the Email you used to order) so that we can find your info in our database.
- Do I need to re-register after I re-install the software?  
No, you don't have to re-enter your registration info. Our software will memory you registration status.
- How long will it take to get your supporting response?  
We promise to answer you within 48 business hours. But in most cases you'll get our response in a few hours or immediately.
